

NATURE PLAY FAMILY DAY

instead of mother's day, we would like to celebrate **all family members** of our heritage community by providing a fun nature play afternoon!

when: 9 may from 3:30-5:30pm

who: parents, carers, grandparents, (all welcome to join)

we will be providing experiences from 'nature play' such as flinting a fire, rope courses, nature art, and cooking on the campfire - all guided by educators!
