MEET YOUR PRESENTER - NAT MATULICK

Education Consultant and Parent Educator Nat Matulick empowers parents to help their child have a positive experience of school where they are confident, happy and thriving.

A mum of two primary-aged kids, Nat knows it can feel incredibly daunting to know you are making the right decisions in preparing for your child to start school.

Through more than 20 years in the education sector (as a teacher and consultant to schools and education departments), Nat has supported thousands of families and their children to have positive school experiences that have been purposefully fitted to each child.
